## Beauvais, Ville d'art et d'histoire

Since 2012, Beauvais has been proud to bear the prestigious "Ville d'art et d'histoire" label. Awarded by the French Ministry of Culture, this distinction of excellence highlights both the richness of our heritage while rewarding the quality of awareness-raising initiatives around the history of Beauvais and its architecture.

Beauvais is a city with two millennia of history, at the heart of which stands the cathedral with the highest Gothic choir in the world; a city rich in know-how, perpetuating several millennia of ceramic tradition and home to a tapestry factory for more than 350 years; a city twice awarded the "fleur d'or" for its gardens; Beauvais boasts a heritage of great variety, whether built, intangible or natural.

In addition to its historic monuments, the city is also brimming with architectural details that visitors can observe on their strolls. Thanks to the actions undertaken as part of the "Ville d'art et d'histoire" label, this heritage is made accessible to as many people as possible, through guided tours, mediation for young visitors, exhibitions, publications and guided tours.

The Tourist Office has been awarded the national QUALITÉ TOURISME mark, in line with the quality approach of ADN Tourisme, the national partner of the mark.

Always attentive to your needs, we are committed to :
